

CONCESSIONARY BUS TICKET DRAW TV WINNERS

Des and Marge Winters from Crownhill, Plymouth have won a new Digital Flat screen television after entering the Plymouth Citybus Concessionary Ticket draw. Over 1000 passengers aged over 60 who are eligible to travel free on the buses entered the draw. Des, 80 and Marge, 77, were presented the new TV by Tom Piggott, Operations Director at the company's headquarters.

"Neither of us have ever won a competition or draw in our lives," said Des. "We were very excited when we received the call to say that we had won."

Tom Piggott thanked the couple, who recently celebrated their 21st wedding anniversary, for entering their ticket: "We were delighted with the response to the draw as part of our ongoing initiatives to encourage more people to use our network."
