Sunday & Bank Holiday services receive financial support from Plymouth City Council

Service 25 On the 5 July 2009 Plymouth Citybus increased the frequency of this service to every 20 minutes for most of the day but ongoing parking issues in the Barbican and West Hoe have unfortunately resulted in this service not being as reliable as we would like.

Therefore from the 25 October 2009 the Service 25 is to be reduced in frequency from every 20 minutes to every 30 minutes Monday to Saturday with the service being extended to operate via Drake Circus and Mayflower Street. There will be no changes to Sunday and Bank Holiday services.
