ROYAL PARADE			1754

NS - Not Saturdays

Please note that the 16:55 Service operates direct to Royal Parade from North Hill and does not service Mayflower Street.

This Service is provided thanks to financial support from Plymouth City Council

From the 28th May 2007 this Service will have a slight change of route. In order to improve reliability the route from the Eye Infirmary to Mutley Plain is to change from operating via Ford Park to operating via Ermington Street. This small change should improve reliability especially during busy times.
