**Service 34** Due to continued problems with on street parking around the Co-op, development works within Mutton Cove, the rapidly changing Plymouth Bus market and the reality that the vast majority of public transport users within Mutton Cove make their way to Cumberland Gardens to catch more direct higher frequency alternatives the Service 34 is to be withdrawn from Mutton Cove. The service will operate to the Torpoint Ferry Terminal instead providing direct services between the Torpoint Ferry Terminal and Derriford Hospital as well as more choices for travel to the City Centre from the Ferry Terminal.
