

ROAD CLOSURE SHAUGH PRIOR

From **Monday 2 August 2010** until **Friday 6 August 2010**, there will be a road closure between **Hele Lane** and **Brag Lane** at **Shaugh Prior**.

There is no suitable alternative route without causing major delays to the service **59**.

This will result in the service having to waiting time at **Wotter** before turning around and coming back via **Plympton**.

We will be unable to service **Shaugh Prior**, **Bickleigh** or the **George Park & Ride**.

We are sorry for the inconvenience caused to our passengers, but these are circumstances beyond our control.
